

(This Service Bulletin is FAA D.O. Authorization SW-1 Approved)

SUBJECT: INSTALLATION OF OPERATION PLACARD - P/N 150010-111

MODELS AFFECTED: M20 and M22 Series Aircraft

TIME OF COMPLIANCE: On or before next 100 Hour Inspection

INTRODUCTION: P/N 150010-111 is a placard that is to be adhered to an area on the flight panel (reference sketches shown below) in full view of the pilot.

INSTRUCTIONS: NOTE - 1. Sketch 1 - depicts M20 series flight panel
2. Sketch 2 - depicts M22 series flight panel
3. All placards are self-adhering (pressure sensitive)

M20 Series Aircraft

- (1) Location A (Shown on Sketch 1) - order Kit No. 1
This is the location for adhering placard 150010-111 on aircraft:
M20C S/N's 2321 thru 670134
M20D S/N's 1, 101 thru 260
M20E S/N's 101 to 680001
M20F S/N's 660002 thru 670485
Placard P/N 150039-43 (Gear Down) is to be adhered as shown on Sketch 1 if placard 150010-111 is adhered per this recommended 'A' location.
- (2) Locations B, C (Shown on Sketch 1)
Locations B and C (optional) are for other M20 aircraft not feasible on location A.
- (3) If this placard cannot be installed on recommended locations A, B, or C, then it is to be adhered to the left of line A-A (shown on Sketch 1) on the flight panel--in full view of pilot.
- (4) Adhere sticker* to outside of front cover of M20 Series Aircraft Owners Manual.

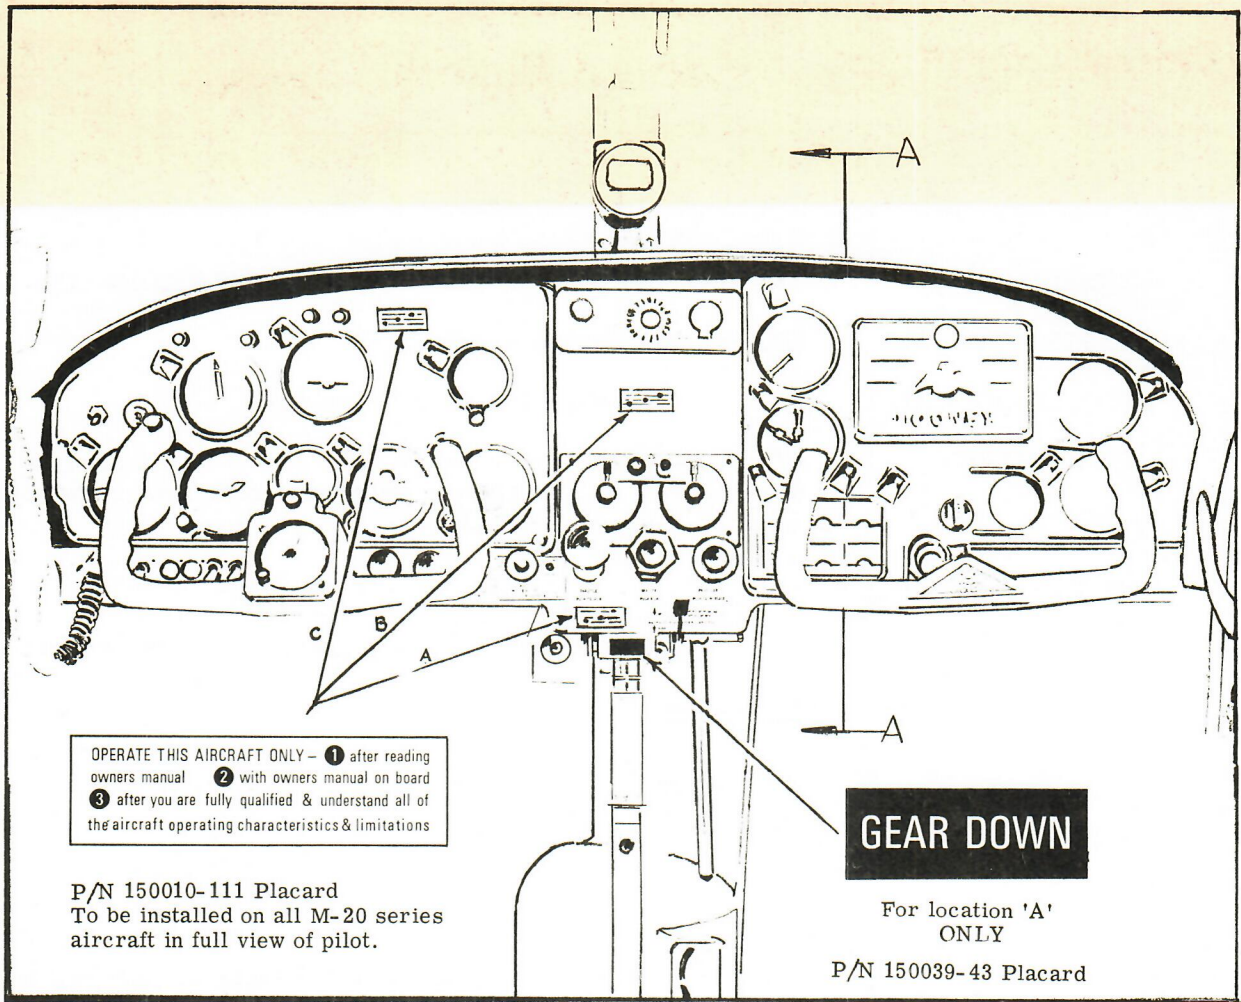

M22 Series Aircraft

- (1) Adhere P/N 150010-111 placard on M22 S/N's 670001 and 670002 as shown on Sketch 2.
- (2) Adhere sticker* to outside of front cover of M22 Series Aircraft Owners Manual.

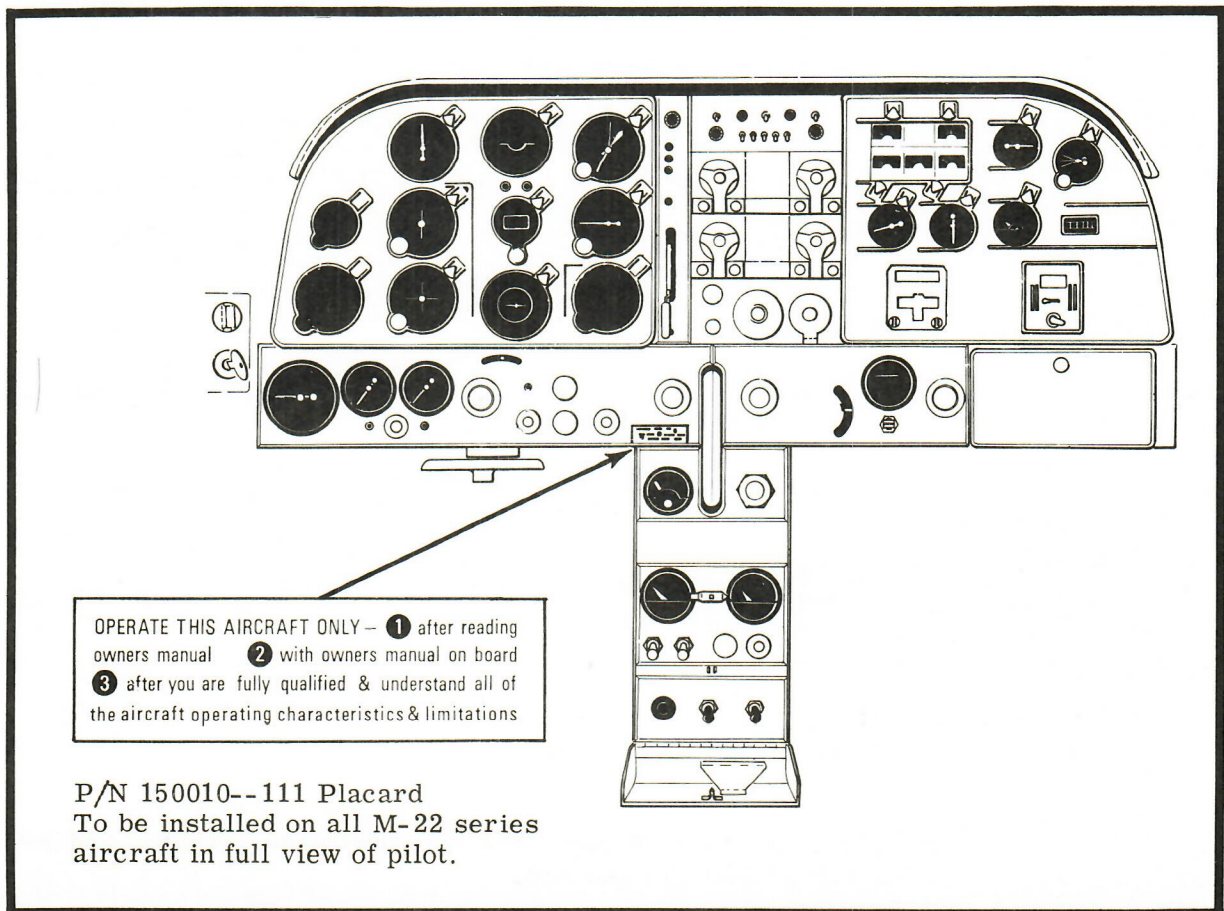

SERVICE BULLETIN KIT NO. 1
150010-111 Placard (one)
150039-43 Placard (one)
Sticker*(one)

SERVICE BULLETIN KIT NO. 2
150010-111 Placard (one)
Sticker*(one)

* Sticker is made of paper and has same size, design, and wording as P/N 150010-111 placard.
